

# All I Ask of You

With Shaun Dixon  
From The Phantom of the Opera  
Music by Andrew Lloyd Webber  
Lyrics by Charles Hart and Richard Stilgoe

## Shaun

No more talk of darkness  
Forget these wide-eyed fears  
I'm here, nothing can harm you  
My words will warm and calm you  
Let me be your freedom  
Let daylight dry your tears  
I'm here, with you, beside you  
To guard you and to guide you

## Hayley

Say you love me  
Every waking moment  
Turn my head  
With talk of summertime  
Say you need me  
With you now and always  
Promise me that all you say is true  
That's all I ask of you

## Shaun

Let me be your shelter  
Let me be your light  
You're safe, no-one will find you  
Your fears are far behind you

## Hayley

All I want is freedom  
A world with no more night  
And you always beside me  
To hold me and to hide me

## Shaun

Then say you'll share with me  
One love, one life-time  
Let me lead you from your solitude  
Say you need me with you  
Here beside you  
Anywhere you go, let me go too  
Christine, that's all I ask of you

## Hayley

Say you'll share with me  
One love, one life-time  
Say the word and I will follow you

## Together

Share each day with me  
Each night, each morning

## Hayley

Say you love me

## Shaun

You know I do

## Together

Love me, that's all I ask of you

Anywhere you go, let me go too

Love me, that's all I ask of you

# Amazing Grace

*Traditional*

Amazing grace, how sweet the sound  
That saved a wretch like me  
I once was lost, but now I'm found  
Was blind, but now I see

T'was grace that taught my heart to fear  
And grace my fear relieved  
How precious did that grace appear  
The hour I first believed

Through many dangers, toils and snares  
We have already come  
T'was grace that brought us safe thus far  
And grace will lead us home

When we've been here ten thousand years  
Bright shining as the sun  
We've no less days to sing God's praise  
Than when we've first begun

# Ave Maria (Bach)

*Adapted from the First Prelude of J.S Bach  
By Charles Gounod*

Ave Maria gratia plena  
Dominus tecum  
Benedicta tu in mulieribus  
Et benedictus fructus ventris tui Jesus

Sancta Maria, sancta Maria, Maria  
Ora pro nobis, nobis peccatoribus  
Nunc et in hora, in hora mortis nostrae  
Amen, amen

# Ave Maria (Schubert)

*By Franz Schubert*

Ave Maria! Vergin del ciel  
Sovrana di grazie e madre pia  
Che accogli ognor la fervente preghiera  
Non negar a questo straziato mio cuor  
Tregua al suo dolor!

Sperduta l'almamia si prosta a te  
E pien di speme si prosta ai tuoi piè  
T'invoca e attende che tu le dia  
La pace che solo tu puoi donar  
Ave Maria!

# Bright Eyes

*Words and Music by Mike Batt*

Is it a kind of dream  
Floating out on the tide  
Following the river of death down-stream  
Oh is it a dream?

There's a fog along the horizon  
A strange glow in the sky  
And nobody seems to know where you go  
And what does it mean  
Oh, oh is it a dream?

Bright eyes burning like fire  
Bright eyes how can you close and fail  
How can the light that burned so brightly  
Suddenly burn so pale?  
Bright eyes

Is it a kind of shadow  
Reaching into the night  
Wandering over the hills unseen  
Or is it a dream?

There's a high wind in the trees  
A cold sound in the air  
And nobody ever knows when you go  
And where do you start  
Oh, oh into the dark

Bright eyes burning like fire  
Bright eyes how can you close and fail  
How can the light that burned so brightly  
Suddenly burn so pale?  
Bright eyes

Bright eyes burning like fire  
Bright eyes how can you close and fail  
How can the light that burned so brightly  
Suddenly burn so pale?  
Bright eyes

Bright eyes  
Bright eyes

# God Defend New Zealand

*Music by John Joseph Woods  
English lyrics by Thomas Bracken  
Maori lyrics by Thomas Henry Smith*

God of nations at thy feet  
In the bonds of love we meet  
Hear our voices, we entreat  
God defend our free land  
Guard Pacific's triple star  
From the shafts of strife and war  
Make her praises heard afar  
God defend New Zealand

E Ihoa Atua  
O nga Iwi! Matoura  
Ata whakarongona  
Me aroha noa  
Kia hua ko te pai  
Kia tau to atawhai  
Manaakitia mai  
Aotearoa

Men of every creed and race  
Gather here before thy face  
Asking thee to bless this place  
God defend our free land  
From dissension, envy, hate  
And corruption guard our state  
Make our country good and great  
God defend New Zealand

# I Dreamed a Dream

*From Les Misérables*

*Lyrics by Herbert Kretzmer*

*Original text by Alain Boubil and Jean-Marc Natel*

*Music by Claude-Michel Schönberg*

I dreamed a dream in time gone by  
When hope was high and life worth living  
I dreamed that love would never die  
I dreamed that God would be forgiving

Then I was young and unafraid  
And dreams were made and used and wasted  
There was no ransom to be paid  
No song unsung, no wine untasted

But the tigers come at night  
With their voices soft as thunder  
As they tear your hope apart  
As they turn your dream to shame

He slept a summer by my side  
He filled my days with endless wonder  
He took my childhood in his stride  
But he was gone when autumn came

And still I dreamed he'd come to me  
That we would live the years together  
But there are dreams that cannot be  
And there are storms we cannot weather

I had a dream my life would be  
So different from this hell I'm living  
So different now from what it seemed  
Now life has killed the dream I dreamed

# Love Changes Everything

*Music by Andrew Lloyd Webber  
Lyrics by Don Black & Charles Hart*

Love, love changes everything  
Hands and faces, earth and sky  
Love, love changes everything  
How you live and how you die

Love can make the summer fly  
Or a night seem like a lifetime  
Yes love, love changes everything  
Now I tremble at your name

Nothing in the world  
Will ever be the same

Love, love changes everything  
Days are longer, words mean more  
Love, love changes everything  
Pain is deeper than before

Love will turn your world around  
And that world will last forever  
Yes love, love changes everything  
Brings you glory, brings you shame

Nothing in the world  
Will ever be the same

Off into the world we go  
Planning futures, shaping years  
Love bursts in and suddenly  
All our wisdom disappears

Love makes fools of everyone  
All the rules we make are broken  
Yes love, love changes everyone  
Live or perish in its flame

Love will never, never  
Let you be the same

Love will never, never  
Let you be the same

# Memory

*From Cats*

*Music by Andrew Lloyd Webber*

*Lyrics by Trevor Nunn after T.S Eliot*

## Midnight

Not a sound from the pavement  
Has the moon lost her memory?  
She is smiling alone  
In the lamp light  
The withered leaves collect at my feet  
And the wind begins to moan

## Memory

All alone in the moonlight  
I can smile at the old days  
I was beautiful then  
I remember  
The time I knew what happiness was  
Let the memory live again

Every street lamp seems to beat  
A fatalistic warning  
Someone mutters and the street lamp gutters  
And soon it will be morning

## Daylight

I must wait for the sun rise  
I must think of a new life  
And I mustn't give in  
When the dawn comes  
Tonight will be a memory too  
And the new day will begin

Burnt out ends of smoky days  
The stale cold smell of morning  
A street lamp dies  
Another night is over  
Another day is dawning

## Touch me

It's so easy to leave me  
All alone with my memory  
Of my days in the sun  
If you touch me  
You'll understand what happiness is  
Look, a new day has begun

# Somewhere

*From West Side Story  
Music by Leonard Bernstein  
Lyrics by Stephen Sondheim*

There's a place for us  
Somewhere a place for us  
Peace and quiet and open air  
Wait for us somewhere

There's a time for us  
Someday a time for us  
Time together with time to spare  
Time to learn, time to care

Someday, somewhere  
We'll find a new way of living  
We'll find a new way of giving  
Somewhere

There's a place for us  
A time and place for us  
Hold my hand and we're halfway there  
Hold my hand and I'll take you there  
Somehow, someday, somewhere

Someday, somewhere  
We'll find a new way of living  
We'll find a way of forgiving  
Somewhere

There's a place for us  
A time and place for us  
Hold my hand and we're halfway there  
Hold my hand and I'll take you there  
Somehow, someday, somewhere

# The Mists of Islay

*Music by Wishart Campbell*

*Lyrics by Gavin Creed*

Ah...Lost in the mists of Islay

Through a veil of bygone years  
Through the exile's hidden tears  
One dear vision oft appears  
Out of the mists of Islay

Rovan-oh, oh rovan-ee  
Rovan-oh, oh rovan-ee  
Evermore my heart will be  
Lost in the mists of Islay

Waters break on rocky shore  
Sea winds sighing as of yore  
Sea birds crying as they soar  
Over the mists of Islay

Isle mem'ry home to me  
Nevermore thy hills I'll see  
Evermore my heart will be  
Lost in the mists of Islay

Ah...Lost in the mists of Islay  
Lost in the mists of Islay  
Lost in the mists of Islay

# Walking in the Air

*Words and Music by Howard Blake*

We're walking in the air  
We're floating in the moonlit sky  
The people far below  
Are sleeping as we fly

We're holding very tight  
I'm riding in the midnight blue  
I'm finding I can fly  
So high above with you

On across the world  
The villages go by like dreams  
The rivers and the hills  
The forests and the streams

Children gaze open mouthed  
Taken by surprise  
Nobody down below  
Believes their eyes

We're surfing in the air  
We're swimming in the frozen sky  
We're drifting over icy  
Mountains floating by

Suddenly swooping low  
On an ocean deep  
Rousing up a mighty monster  
From his sleep

We're walking in the air  
We're dancing in the midnight sky  
And everyone who sees us  
Greet us as we fly

# Wishing You Were Somehow Here Again

*From The Phantom of the Opera  
Music by Andrew Lloyd Webber  
Lyrics by Charles Hart and Richard Stilgoe*

You were once my one companion  
You were all that mattered  
You were once a friend and father  
Then my world was shattered

Wishing you were somehow here again  
Wishing you were somehow near  
Sometimes it seemed, if I just dreamed  
Somehow you would be here

Wishing I could hear your voice again  
Knowing that I never would  
Dreaming of you won't help me to do  
All that I dream I could

Passing bells and sculpted angels  
Cold and monumental  
Seem for you the wrong companions  
You were warm and gentle

Too many years fighting back tears  
Why can't the past just die?

Wishing you were somehow here again  
Knowing we must say goodbye  
Try to forgive, teach me to live  
Give me the strength to try

No more memories, no more silent tears  
No more gazing across the wasted years  
Help me say goodbye
