

Ave Maria

Johann Sebastian Bach/Charles Gounod/Noa (aka Achinoam Nini)

Ave Maria

Where have you been hiding?
Don't you know we need you?
Things are looking pretty bad down here
I know that there is beauty
Gentleness and laughter
These are things you always stood for
Help us find them too

Hey there, Maria!
Santa Maria, Maria
May I take a liberty
And say that it's a shame to me
Not to live in harmony
We're all just hoping
Someone will step forward singing
Amen, amen

Come on, let's join in
And sing amen
Amen, amen
Yeah, amen
Amen

Down to the River

Traditional

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the starry crown
Good Lord show me the way

O brothers, let's go down
Let's go down, come on down
O brothers let's go down
Down in the river to pray

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the robe and crown
Good Lord show me the way

O sisters, let's go down
Let's go down, come on down
O sisters, let's go down
Down in the river to pray

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the robe and crown
Good Lord show me the way

O sinners, let's go down
Come on down, don't you wanna come down
O sinners, let's go down
Down in the river to pray

How Many Stars?

With Teddy Tahu Rhodes
From Bombay Dreams
A.R Rahman/Don Black

Teddy

How many stars have to shine?
Before your eyes meet mine
How many stars must I see?
Before you dream like me

Hayley

How many tides have to turn?
Before your turn to me
How many stars have to shine?
Before my heart is free

Teddy

How many stars?

Hayley

How many stars have to shine?
Before the truth is clear
How many words must I speak?
Before you finely hear

Teddy

How many tides have to turn?
Before you turn my way

Hayley

How many stars must you see?
To see the light of day

Teddy

Everyone needs a sens of belonging
Someone there who always understands
That precious gifts can come from empty hands

Hayley

Precious gifts can come from empty hands

Together

How many stars have to shine?
Before the truth is clear
How many stars have to shine?
Before the truth is clear

How many stars have to shine?

Teddy

Before we find a way

Together

How many stars have to shine?

Teddy

Before we love

Hayley

How many stars?
