

# All I Have to Give

*Hall – Lyrics by Hall/Runga*

Just one bell rang on Christmas day  
Just one sound kept the cold away  
Just one hope that it's part might play  
On this frosty morning

Oh! What gifts might the angels bring  
If their choice was of everything?  
Maybe just that more bells might ring  
On this frosty morning

Oh! But I wish for you at Christmas  
A song that is open and true  
To light up your world through your darkest hour  
And last the whole year through

And all that I hope for you is laughter  
And joy throughout all the days you live  
If that's brought with love  
Then my gift of love  
Is all that I have left to give

# Chestnuts Roasting on an Open Fire (The Christmas Song)

*Torme/Wells*

Chestnuts roasting on an open fire  
Jack Frost nipping at your nose  
Yuletide carols being sung by a choir  
And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe  
Help to make the season bright  
Tiny tots with their eyes all aglow  
Will find it hard to sleep tonight

They know that Santa's on his way  
He's loaded lots of toys and goodies on his sleigh  
And every mother's child is gonna spy  
To see if reindeer really know how to fly

And so I'm offering this simple phrase  
To kids from one to ninety-two  
Although it's been said many times, many ways  
Merry Christmas to you!

And so I'm offering this simple phrase  
To kids from one to ninety-two  
Although it's been said many times, many ways  
Merry Christmas!  
Merry Christmas!  
Merry Christmas to you!

# Do You Hear What I Hear?

Guest vocalist: Sophie Westenra  
*Regniy/Shayne*

Said the night wind to the little lamb  
Do you see what I see  
Way up in the sky, little lamb  
Do you see what I see  
A star, a star, dancing in the night  
With a tail as big as a kite  
With a tail as big as a kite

Said the little lamb to the shepherd boy  
Do you hear what I hear  
*(Sophie)* Do you hear what I hear  
Ringing through the sky, shepherd boy  
Do you hear what I hear  
*(Sophie)* Do you hear what I hear  
A song, a song, high above the tree  
With a voice as big as the sea  
*(Sophie)* With a voice as big as the sea

Said the shepherd boy to the mighty king  
Do you know what I know  
*(Sophie)* Do you know what I know  
In your palace warm, mighty king  
Do you know what I know  
*(Sophie)* Do you know what I know  
A child  
*(Sophie)* A child  
*(Hayley & Sophie)*  
Shivers in the cold  
Let us bring Him silver and gold  
*(Sophie)* Let us bring Him silver and gold

Said the king to the people everywhere  
Listen to what I say  
*(Sophie)* Listen to what I say  
Pray for peace, people everywhere  
Listen to what I say  
*(Sophie)* Listen to what I say  
The child  
*(Hayley & Sophie)*  
The child, sleeping in the night  
He will bring us goodness and light  
*(Sophie)* He will bring us goodness and light  
*(Hayley & Sophie)*  
He will bring us goodness and light

# Gabriel's Message

*Anonymous – Traditional*

The angel Gabriel from heaven came  
His wings as drifted snow, his eyes as flame  
'All hail', said he, 'thou lowly maiden Mary  
Most highly favour'd lady, Gloria!'

'For known a blessed Mother thou shalt be  
All generations laud and honour thee,  
Thy son shall be Emmanuel, by seers foretold  
Most highly favour'd lady, Gloria!'

Then gentle Mary meekly bowed her head  
'To me be as it pleaseth God', she said  
'My soul shall laud and magnify His holy name  
Most highly favour'd lady, Gloria!'

Of her, Emmanuel the Christ was born  
In Bethlehem, all on a Christmas morn  
And everyone throughout the world will ever say  
Most highly favour'd lady, Gloria!  
Gloria!  
Gloria!

# Mary Did You Know?

*Lowry/Green*

Mary did you know?  
That your baby boy would one day walk on water  
Mary did you know?  
That your baby boy would save our sons and daughters

Did you know?  
That your baby boy has come to make you new  
And the child that you delivered, would soon deliver you

Oh Mary did you know?  
That your baby boy would give sight to the blind men  
Mary did you know?  
That your baby boy would calm a storm with his hand

Did you know?  
That your baby boy has walked where angels trod  
And when you kiss your little baby  
You've kissed the face of God

Oh Mary, did you know?

The blind will see  
The deaf will hear  
The dead will live again  
The lame will leap  
The dumb will speak  
The praises of The Lamb

Oh Mary did you know?  
That your baby boy is Lord of all creation  
Mary did you know?  
That your baby boy will one day rule the nations

Did you know?  
That your baby boy is Heaven's perfect lamb  
And the sleeping child you're holding, is the great I am

Oh Mary  
Oh Mary

# Morning Has Broken

*Farjeon/Stevens*

Morning has broken, like the first morning  
Blackbird has spoken, like the first bird  
Praise for the singing, praise for the morning  
Praise for the springing fresh from the world

Sweet the rain's new fall, sunlit from heaven  
Like the first dewfall, on the first grass  
Praise for the sweetness of the wet garden  
Sprung in completeness where his feet pass

Mine is the sunlight, mine is the morning  
Born of the one light, Eden saw play  
Praise with elation, praise every morning  
God's recreation of the new day

Morning has broken, like the first morning  
Blackbird has spoken, like the first bird  
Praise for the singing, praise for the morning  
Praise for the springing fresh from the world

# Silent Night

*Mohr – Music by Franz Gruber*

Silent night, holy night!  
All is calm, all is bright  
Round yon Virgin, Mother and Child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

Silent night, holy night!  
All is calm, all is bright  
Round yon Virgin, Mother and Child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

Silent night, holy night!  
Shepherds quake at the sight  
Glories stream from heaven afar  
Heavenly hosts sing Alleluia  
Christ the Saviour is born!  
Christ the Saviour is born!

Silent night, holy night!  
Son of God, love's pure light  
Radiant beams from thy holy face  
With the dawn of redeeming grace  
Jesus, Lord, at Thy birth  
Jesus, Lord, at Thy birth  
Jesus, Lord, at Thy birth

# Somewhere Over the Rainbow

*Harburg/Arlen*

Somewhere over the rainbow, way up high  
There's a land that I heard of once in a lullaby

Somewhere over the rainbow, skies are blue  
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Away beyond the chimney tops  
That's where you'll find me

Somewhere over the rainbow, bluebirds fly  
Birds fly over the rainbow  
Why then, oh why can't I?

Where troubles melt like lemon drops  
Away beyond the chimney tops  
That's where you'll find me

Somewhere over the rainbow, bluebirds fly  
Birds fly over the rainbow  
Why then, oh why can't I?

If happy little bluebirds fly  
Beyond the rainbow  
Why oh why can't I?

# The Peace Song

*Hall – Lyrics by Hall/Binding/Cleaver*

If I could change anything  
Then love would heal everything  
Though I may be just one voice, I pray

That peace inherits the world  
And joy and hope are unfurled  
Though I may be young I see  
If only we had faith in love  
We could be free, we could be free

Though I see through one child's eyes  
I look beyond the world's disguise  
Though I may be young I see  
If only we had faith in love  
We could be free, we could be free

# Through These Eyes

Guest vocalist: Sophie Westenra  
Davies

Everyone, we all have dreams  
A wish is all you need it seems  
How many of these dreams will come true?  
See, I believe in many things  
A wish can be the smallest thing  
A smile on a face, or hand to guide you through  
When wizards seem to be riding with those genies  
And no carpet rides for free  
That's when I believe dreams come true  
Through these eyes

*(Hayley & Sophie)*  
Through these eyes it's love that we need  
For love is a wish that's granted for free  
It opens the heart for those who believe  
So open your mind and see what I see  
Through these eyes

It's not that we should disbelieve  
In magic books or fantasy  
Love is a potion so take it upon yourself  
And wizards you will be  
No need to look for genies  
Taking carpet rides for free  
That's when you'll believe dreams come true  
Through these eyes

*(Hayley & Sophie)*  
Through these eyes it's love that we need  
For love is a wish that's granted for free  
It opens the heart for those who believe  
So open your mind and see what I see  
Through these eyes

Through these eyes

And wizards you will be  
No need to look for genies  
Taking carpet rides for free  
The magic wand will always stay alive  
And it's then you see dreams come true  
Through these eyes

*(Hayley & Sophie)*  
Through these eyes it's love that we need  
For love is a wish that's granted for free  
It opens the heart for those who believe  
So open your mind and see what I see

Through these eyes it's love that we need  
For love is a wish that's granted for free  
It opens the heart for those who believe  
So open your mind and see what I see

Through these eyes it's love that we need  
For love is a wish that's granted for free  
It opens the heart for those who believe  
So open your mind and see what I see

Through these eyes it's love that we need  
For love is a wish that's granted for free  
It opens the heart for those who believe  
So open your mind and see what I see

Through these eyes...

# You'll Never Walk Alone

*Rodgers/Hammerstein*

When you walk through a storm  
Hold your head up high  
And don't be afraid of the dark  
At the end of a storm is a golden sky  
And the sweet silver song of a lark

Walk on through the wind  
Walk on through the rain  
Though your dreams be tossed and blown

Walk on, walk on, with hope in your heart  
And you'll never walk alone  
You'll never walk alone

Walk on, walk on, with hope in your heart  
And you'll never walk alone  
You'll never walk alone
