

# Ave Maria

*Johann Sebastian Bach/Charles Gounod/Noa (aka Achinoam Nini)*

Ave Maria

Where have you been hiding?  
Don't you know we need you?  
Things are looking pretty bad down here  
I know that there is beauty  
Gentleness and laughter  
These are things you always stood for  
Help us find them too

Hey there, Maria!  
Santa Maria, Maria  
May I take a liberty  
And say that it's a shame to me  
Not to live in harmony  
We're all just hoping  
Someone will step forward singing  
Amen, amen  
Come on, let's join in  
And sing...

Ave Maria  
Where have you been hiding?  
Don't you know we need you?  
Things are looking pretty bad down here  
I know you hear the fighting  
See the torch we're lighting  
On our quest for peace and freedom  
Help us see this through

Hey there, Maria!  
Santa Maria, Maria  
May I take a liberty  
And say that it's a shame to me  
Not to live in harmony  
We're all just hoping  
Someone will step forward singing  
Amen, amen

Come on, let's join in  
And sing amen  
Amen, amen  
Yeah, amen, amen

# Both Sides Now

*Joni Mitchell*

Rows and flows of angel hair  
And ice cream castles in the air  
And feather canyons everywhere  
I've looked at clouds that way  
But now they only block the sun  
They rain and snow on everyone  
So many things I would have done  
But clouds got in my way

I've looked at clouds from both sides now  
From up and down, and still somehow  
It's cloud illusions I recall  
I really don't know clouds at all

Moons and Junes and Ferris wheels  
The dizzy dancing way you feel  
As every fairy tale comes real  
I've looked at love that way  
But now it's just another show  
And you leave 'em laughing when you go  
And if you care, don't let them know  
Don't give yourself away

I've looked at love from both sides now  
From give and take, and still somehow  
It's love's illusions I recall  
I really don't know love at all

Tears and fears and feeling proud  
To say "I love you" right out loud  
Dreams and schemes and circus crowds  
I've looked at life that way  
But now old friends they're acting strange  
They shake their heads  
They say I've changed  
Well something's lost but something's gained  
In living every day

I've looked at life from both sides now  
From win and lose, and still somehow  
It's life's illusions I recall  
I really don't know life at all

# Bridal Ballad

*From The Merchant of Venice  
Jocelyn Pook / Edgar Allan Poe*

The ring is on my hand  
And the wreath is on my brow  
Satin and jewels grand  
Are all at my command  
And I am happy now

And my lord he loves me well  
But when first he breathed his vow  
I felt my bosom swell  
For the words rang as a knell  
And the voice seemed his who fell  
In the battle down the dell  
And who is happy now?

But he spoke to re-assure me  
And he kissed my pallid brow  
While a reverie came o'er me  
And to the church-yard bore me  
And I sighed to him before me  
Thinking him dead D'Elormie  
Oh, I am happy now

Ah...  
And I am happy now

And thus the words were spoken  
And this the plighted vow  
And, though my faith be broken  
And, though my heart be broken  
Here is a ring, as token  
That I am happy now!

Would God I could awaken!  
For dream I know not how!  
And my soul is sorely shaken  
Lest an evil step be taken  
Lest the dead who is forsaken  
May not be happy now

Ah...

# Dell'Amore Non Si Sa

With Andrea Bocelli

*Andrea Sandri/Leonardo de Bernardini (Leo Z)/Mauro Malavasi*

## Hayley

Speak to my heart, tell that you know  
 The pain of my longing, it seems to grow  
 Speak, oh my star  
 Tell me if he will come  
 Warm august night full of desire  
 Search for my love he's why I hold this fire  
 Wanting an angel to smile walking by my way

Oh, sometimes it seems so hard  
 To explain it  
 But you, my star-bright friend  
 Please tell me if he will stay

## Andrea

Dell'amore non si sa  
 Quando viene o se ne va  
 Dell'amore non si sa  
 Quando sarà  
 Da dove arriverà

## Hayley

My brother star straight from a dream  
 Speak to me until morning's dawning  
 Tell me it's true  
 He too asks you for me

Oh, sometimes it seems so hard  
 To attain this  
 But you are who tells me  
 Always only the truth

## Andrea

Dell'amore non si sa  
 Quando viene o se ne va  
 Dell'amore non si sa

## Together

Ma quando amore arriverà  
 Tutto intorno cambierà  
 Nella notte brillerà

## Andrea

Tutto cambierà

## Hayley

Tutto rivivrà

## Together

Con te

# Dido's Lament

*Nahum Tate/Henry Purcell*

When I am laid, am laid in earth, may my wrongs create  
No trouble, no trouble in my breast  
When I am laid, am laid in earth, may my wrongs create  
No trouble, no trouble in my breast

Remember me!  
Remember me!  
But ah! Forget my fate  
Remember me!  
But ah! Forget my fate

Remember me!  
Remember me!  
But ah! Forget my fate  
Remember me!  
But ah! Forget my fate

Forget my fate

# I Say Grace

*Andrew Fortier (aka Andie James) & Johnny Gale (aka Neil Posner)*

You know, sometimes I feel like  
 I gave it my hardest try  
 If there's anything left  
 I lost in on the last rollercoaster ride  
 When I get home  
 This is what I say  
 When my baby asks 'How was your day?'  
 I say grace

Took a rock from the garden I made here  
 In the backyard with all ill love and some care  
 I come here when the world gets too crazy  
 I come here when I'm just feeling sad  
 We all need a place we can go where  
 You pick your dreams out of thin air  
 I work in this garden of faith every single day

I say grace for the blue painted sky  
 I say grace for my lucky stars that shine  
 When I look back on the road that I've travelled down  
 I say grace for the love that I have found

Used to wanna be at the top of the ladder  
 Even when you leave you just come back down  
 When time gets a hold of my horses  
 I think I'll just laugh and go for the ride  
 Now when I look out my window  
 Where I've planted my heart and my soul  
 It does a girl a world of good  
 To watch her garden grow

I say grace for the blue painted sky  
 I say grace for my lucky stars that shine  
 When I look back on the road that I've travelled down  
 I say grace

I've been through the hardest of seasons  
 Holding my heart in my hand  
 And every kinda thought has a reason  
 Now I understand  
 When the roof caves in  
 Lets the sun shine in  
 Life is beautiful  
 Now at the end of day

I say grace for the blue painted sky  
 I say grace for my lucky stars that shine  
 When I look back on the road that I've travelled down  
 I say grace

I say grace  
 I say grace

# Laudate Dominum

*From Vesperae Solennes De Confessore, K339  
Wolfgang Amadeus Mozart/Traditional*

Laudate dominum  
Omnes gentes  
Laudate eum  
Omnes, omnes populi  
Quoniam confirmata est  
Super nos misere cordia ejus  
Et veritus, veritus Domini  
Manet, manet in aeternum

Amen, amen

# Lascia Ch'io Pianga

*From Rinaldo  
George Frideric Handel/Giacomo Rossi*

Lascia ch'io pianga mia cruda sorte  
E che sospiri la liberta  
Lascia ch'io pianga mia cruda sorte  
E che sospiri la liberta

E che sospiri  
E che sospiri la liberta

Lascia ch'io pianga mia cruda sorte  
E che sospiri la liberta

Il duolo infranga queste ritorte  
De miei martiri sol per pieta  
De miei martiri sol per pieta

Lascia ch'io pianga mia cruda sorte  
E che sospiri la liberta

# May It Be

*From The Lord of the Rings  
Ethne Patricia Brennan (aka "Enya") & Nicky Ryan/Roma Shane Ryan*

May it be an evening star  
Shines down upon you  
May it be when darkness falls  
Your heart will be true  
You walk a lonely road  
Oh! How far you are from home

Mornië utúlië (Darkness has come)  
Believe and you will find your way  
Mornië alantië (Darkness has fallen)  
A promise lives within you now

May it be the shadows call  
Will fly away  
May it be your journey on  
To light the day  
When the night is overcome  
You may rise to find the sun

Mornië utúlië (Darkness has come)  
Believe and you will find your way  
Mornië alantië (Darkness has fallen)  
A promise lives within you now  
A promise lives within you now

# My Heart Belongs to You

*Aldo Caporuscio*

Through the window of my soul  
 All the secrets that I hold  
 Will be yours to share for always, always  
 Like a whisper in the wind  
 The gentle breeze touches my skin  
 And I know you're with me always, always

I can feel it in the air  
 The fire that we share  
 Can only come from deep within  
 It's a light that burns so bright  
 It guides you through the night  
 And leads you to me  
 So find your way back

And hold me, touch me  
 Let the love come rushing through me  
 I'm yours with every breath I take  
 Forever and ever

Hold on, to love  
 Cause deep down  
 That's what we're made of  
 Never let go for my heart's sake  
 Cause my heart belongs to you

I lie awake to hear you breathe  
 Only you can feel the need  
 That builds and burns so deep inside me, inside me

As the moon lights up the sky  
 There's a thousand reasons why  
 My heart will only beat for you  
 You're the reason that I live  
 So now all I've got to give  
 I give it to you  
 Just don't fight the feeling

Hold me, touch me  
 Let the love come rushing through me  
 I'm yours with every breath I take  
 Forever and ever

Hold on, to love  
 cause deep down  
 That's what we're made of  
 Never let go for my heart's sake  
 Cause my heart belongs to you

(Don't give up, but just give in)  
 Ah  
 (I will always be here waiting for you)  
 Waiting for you  
 Love will see us through

Hold me, touch me  
 Let the love come rushing through me  
 I'm yours with every breath I take  
 Forever and ever

Hold on, to love  
 Cause deep down  
 That's what we're made of  
 Never let go for my heart's sake  
 Cause my heart belongs to you

My heart belongs to you  
 My heart belongs to you  
 My heart belongs to you  
 Only you...

# Never Saw Blue

*Jeff Franzel, Tom Kimmel & Mark J. Luna*

Today we took a walk up the street  
We picked a flower and climbed the hill above the lake  
And secret thoughts were said aloud  
We watched the faces in the clouds  
Until the clouds have blown away  
Were we ever somewhere else you know  
It's hard to say

I never saw a blue like that before  
Across the sky, around the world  
You're giving me all you have and more  
No one else has ever shown me how  
To see the world the way I see it now, oh I  
I never saw a blue like that

I can't believe  
A month ago I was alone  
I didn't know you, I've never seen you or heard your name  
And even now, I'm so amazed, it's like a dream  
It's like a rainbow, it's like the rain  
Some things are the way they are and words just can't explain

I never saw a blue like that before  
Across the sky, around the world  
You're giving me all you have and more  
No one else has ever shown me how  
To see the world the way I see it now, oh I  
I never saw a blue like that before

It feels like now, it feels always  
And it feels like coming home

I never saw a blue like that before  
Across the sky, around the world  
You're giving me all you have and more  
No one else has ever shown me how  
To see the world the way I see it now, oh I  
I never saw a blue like that before

Oh, oh I, I never saw blue like that

# O Mio Babbino Caro

*From Gianni Schicchi  
Giacomo Puccini/Giovacchino Forzano*

O mio babbino caro  
Mi piace è bello, bello  
Vo'andare in Porta Rossa  
A comperar l'anello  
Sì, sì, ci voglio andare  
E se l'amassi invano  
Andrei sul Ponte Vecchio  
Ma per buttarmi in armo  
Mi struggo e mi tormento  
O Dio, vorrei morir

Babbo, pietà, pietà  
Babbo, pietà, pietà

# Prayer

*Rolf Lovland & Fionnuala Sherry*

Let your arms enfold us  
Through the dark of night  
Will your angels hold us  
Till we see the light

Hush, lay down your troubled mind  
The day has vanished and left us behind  
And the wind – whispering soft lullabies  
Will soothe – so close your weary eyes

Let your arms enfold us  
Through the dark of night  
Will your angels hold us  
Till we see the light

Sleep, angels will watch over you  
And soon beautiful dreams will come true  
Can you feel spirits embracing your soul  
So dream while secrets of darkness unfold

Let your arms enfold us  
Through the dark of night  
Will your angels hold us  
Till we see the light

Let your arms enfold us  
Through the dark of night  
Will your angels hold us  
Till we see the light

# Scarborough Fair

*Traditional*

Are you going to Scarborough Fair?  
Parsley, sage, rosemary and thyme  
Remember me to one who lives there  
He once was a true love of mine

Tell him to make me a cambric shirt  
Parsley, sage, rosemary and thyme  
Without no seam nor needle work  
Then he'll be a true love of mine

Tell him to find me a nacre of land  
Parsley, sage, rosemary and thyme  
Between the salt water and the sea strand  
Then he'll be a true love of mine

Are you going to Scarborough Fair?  
Parsley, sage, rosemary and thyme  
Remember me to one who lives there  
He once was a true love of mine

# She Moves Through the Fair

*Traditional*

My young love said to me  
'My mother won't mind  
And my father won't slight you  
For your lack of kind'

She stepped away from me  
And she moved through the fair  
And fondly I watched her  
Move here and move there  
And then she went onwards  
Just one star awake  
Like the swan in the evening  
Moves over the lake

Last night she came to me  
My dead love came in  
So softly she came  
That her feet made no din  
And she laid her hand on me  
And this she did say  
'It will not be long now'  
And she moved through the fair

# The Mists of Islay

*Gavin Creed & Wishart Campbell/John McDonald*

Ah...Lost in the mists of Islay

Through a veil of bygone years  
Through the exile's hidden tears  
One dear vision oft appears  
Out of the mists of Islay

Waters break on rocky shore  
Sea winds sighing as of yore  
Sea birds crying as they soar  
Over the mists of Islay

Isle mem'ry home to me  
Nevermore thy hills I'll see  
Evermore my heart will be  
Lost in the mists of Islay

Evermore my heart will be  
Lost in the mists of Islay

Ah

Ah...Lost in the mists of Islay

# The Water Is Wide

*Traditional*

The water is wide, I cannot get over  
And neither have I wings to fly  
Give me a boat that'll carry two  
And both shall row, my love and I

There love is planted, O there it grows  
It grows and blossoms like a rose  
It has a sweet and pleasant smell  
No flower on earth can it excel

The ship there is and she sails the sea  
She's loaded deep as deep can be  
But not so deep as the love I'm in  
I know not if I sink or swim

O love is gentle, love is kind  
The sweetest flower when first it's knew  
But love grows old and waxes cold  
And fades away like morning dew

# What You Never Know (Won't Hurt You)

*Stephan Moccio/Hayley Westenra*

What you never know won't hurt you  
What you never know won't lie  
What you never know won't desert you  
What you never know won't say goodbye

What you never know won't hurt you  
What you never know won't lie  
What you never know won't desert you  
What you never know won't make you cry

I'm falling for you  
I'm falling for you  
My heart's torn in two  
I'm falling for you

What you never know won't hurt you  
What you never know won't lie  
What you never know won't desert you  
What you never know – unless you try

I'm falling for you  
I'm falling for you  
I'm falling for you

# What You Never Know (Won't Hurt You)

*Stephan Moccio/Hayley Westenra*

What you never know won't hurt you  
What you never know won't lie  
What you never know won't desert you  
What you never know won't say goodbye

What you never know won't hurt you  
What you never know won't lie  
What you never know won't desert you  
What you never know won't make you cry

I'm falling for you  
I'm falling for you  
My heart's torn in two  
I'm falling for you

What you never know won't hurt you  
What you never know won't lie  
What you never know won't desert you  
What you never know – unless you try

I'm falling for you  
I'm falling for you  
My heart's torn in two  
I'm falling for you

I'm falling

What you never know won't hurt you  
What you never know won't say goodbye

I'm falling for you  
I'm falling for you  
My heart's torn in two  
I'm falling for you

# Wiegenlied

*Bernhard Flies / Friedrich Wilhelm Gotter*

Schlafe, mein Prinzchen, schlaf ein!  
Es ruh'n Schäfchen and Vögelein  
Garten und Wiese verstummt  
Auch nicht ein Bienchen mehr summt  
Luna mit silbernem Schein  
Gucket zum Fenster herein  
Schlafe beim silbernem Schein  
Schlafe, mein Prinzchenn schlaf ein  
Shlaf ein, schlaf ein!  
Shlaf ein, schlaf ein!

Auch in dem Schlosse wohl liegt  
Alles im Schummer gewiegt  
Reget kein Mäuschen sich mehr  
Keller und Küche sind leer  
Nur in der Zofe Gemach  
Tönet ein schmachtendes Ach!  
Was für ein Ach mag dies sein?  
Schlafe, mein Prinzchenn schlaf ein  
Shlaf ein, schlaf ein!  
Shlaf ein, schlaf ein!

Wer ist beglückter als Du?  
Nichts als Vergnügen und Ruh  
Spielwerk und Zucker vollauf  
Und Noch Karossen im Lauf  
Alles besorgt und bereit  
Dass nur mein Prinzchen nicht schreit  
Was wird das künftig erst sein?  
Schlafe, mein Prinzchenn schlaf ein  
Shlaf ein, schlaf ein!  
Shlaf ein, schlaf ein!

# You Are Water

*Ava Parnass, Alex Forbes & Eve Nelson*

When I'm lost in a tunnel of shadows and fears  
With no light, only night  
And I listen for a kind word but nobody's here  
Oh so blue, all but you

You are the one voice  
That gives me my own voice  
Oh don't you know?

You are water on a hot summer day  
For a thirsty daughter who's finding her way  
You are water, I found my oasis  
I'm drinking from the fountain of dreams  
You are water

You hear the melody of my song  
You stop time, heal my mind  
You show me struggle can make you so strong  
Plant the seed, let it sleep

You are the one voice  
That gives me my own voice  
Oh don't you know?

You are water on a hot summer day  
For a thirsty daughter who's finding her way  
You are water, I found my oasis and  
Now I've got my arms wide open  
Now I've got my wishes in motion

And I wanna thank you  
Yeah I wanna thank you  
Every step that you take shows me the way

You are water on a hot summer day  
For a thirsty daughter who's finding her way  
You are water, I found my oasis and  
Now I've got my wishes in motion

You are water  
You are water  
You are water  
You are water  
You are water
