

# Bridal Ballad

*From The Merchant of Venice  
Jocelyn Pook / Edgar Allan Poe*

The ring is on my hand  
And the wreath is on my brow  
Satin and jewels grand  
Are all at my command  
And I am happy now

And my lord he loves me well  
But when first he breathed his vow  
I felt my bosom swell  
For the words rang as a knell  
And the voice seemed his who fell  
In the battle down the dell  
And who is happy now?

But he spoke to re-assure me  
And he kissed my pallid brow  
While a reverie came o'er me  
And to the church-yard bore me  
And I sighed to him before me  
Thinking him dead D'Elormie  
Oh, I am happy now

Ah...  
And I am happy now

And thus the words were spoken  
And this the plighted vow  
And, though my faith be broken  
And, though my heart be broken  
Here is a ring, as token  
That I am happy now!

Would God I could awaken!  
For dream I know not how!  
And my soul is sorely shaken  
Lest an evil step be taken  
Lest the dead who is forsaken  
May not be happy now

Ah...

# Here Beside Me

*From Disney's Mulan 2  
Joel McNeely / Kate Light*

I'll show you wealth you've never seen  
The sun and moon and shadows  
The rainbow's arch, the mountain stream  
The sunless clouds and the winter's dreams

I'll play you sounds  
You've never heard  
The waterfall, the river  
The thunder of the hummingbird  
The whisper of the snow

What if you never know  
How much you cared  
Till you are parted  
By a stormy sea

How could I let you go?  
How could I bear  
My life without you  
Here with me!

The world's a door that's open wide  
Because you're here beside me  
And with the moon and sun to guide me  
Now my heart can fly  
Now our hearts can be free!

# I'm Kissing You

*From Romeo + Juliet  
Des'ree Annette Weekes / Tim Atack*

Pride can stand a thousand trials  
The strong will never fall  
But watching stars without you  
My soul cried  
Heaving heart is full of pain  
Oh, oh, the aching

'Cause I'm kissing you, oh  
I'm kissing you

Oh...

Touch me deep, pure and true  
Gift to me forever

'Cause I'm kissing you, oh  
I'm kissing you  
Oh

# Listen to the Wind

*From The New World  
James Horner / Glen Ballard*

Time is a river that flows endlessly  
And a life is a whisper, a kiss in a dream

Shadows dance behind the firelight  
And all the spirits of the night remind us  
We are not alone

Tomorrow a sun soon rising  
And yesterday is there beside us  
And it's never far away

If you listen to the wind you can hear me again  
Even when I'm gone you can still hear the song  
High up in the trees as it moves through the leaves  
Listen to the wind, there's no end to my...

Love, it's forever a circle unbroken  
The seasons keep changing, it always remains

Spring will melt the snows of winter  
And the summer gives us days of light  
So long till autumn makes them fade

Remember the sound of laughter  
We ran together through the meadows  
Still we thought our hearts could break

If you listen to the wind, you can hear me again  
Even when I'm gone you can still hear the song  
High up in the trees as it moves through the leaves  
Listen to the wind and I'll send you my love

Listen to the wind where the sky meets the land  
I'm not really gone I've been here all along  
High up in the trees in the sound of the leaves  
Listen to the wind there's no end to my...

Time is a river that flows to the sea  
And a life is a whisper, a kiss in a dream

# May It Be

*From The Lord of the Rings  
Ethne Patricia Brennan (aka "Enya") & Nicky Ryan/Roma Shane Ryan*

May it be an evening star  
Shines down upon you  
May it be when darkness falls  
Your heart will be true  
You walk a lonely road  
Oh! How far you are from home

Mornië utúlië (Darkness has come)  
Believe and you will find your way  
Mornië alantië (Darkness has fallen)  
A promise lives within you now

May it be the shadows call  
Will fly away  
May it be your journey on  
To light the day  
When the night is overcome  
You may rise to find the sun

Mornië utúlië (Darkness has come)  
Believe and you will find your way  
Mornië alantië (Darkness has fallen)  
A promise lives within you now  
A promise lives within you now

# Prayer

*Rolf Lovland & Fionnuala Sherry*

Let your arms enfold us  
Through the dark of night  
Will your angels hold us  
Till we see the light

Hush, lay down your troubled mind  
The day has vanished and left us behind  
And the wind – whispering soft lullabies  
Will soothe – so close your weary eyes

Let your arms enfold us  
Through the dark of night  
Will your angels hold us  
Till we see the light

Sleep, angels will watch over you  
And soon beautiful dreams will come true  
Can you feel spirits embracing your soul  
So dream while secrets of darkness unfold

Let your arms enfold us  
Through the dark of night  
Will your angels hold us  
Till we see the light

Let your arms enfold us  
Through the dark of night  
Will your angels hold us  
Till we see the light

# Summer Rain

*Jeffrey Franzel & Hayley Westenra*

Days of burning sun  
Watch the colours run  
Into pools that catch the eye  
Disappear as you pass by

You're my summer rain  
You're my summer rain  
And I know that I'll see you again  
And I know that I'll see you again

Hear my prayer  
Answer my call  
Breathe life into my soul  
I am waiting for you to show  
Come and hold me so

You're my summer rain  
You're my summer rain  
And I know that I'll see you again  
And I know that I'll see you again

Dreams of a day with you  
Fading away

You're my summer rain  
You're my summer rain  
And I know and I know and I know that I'll see you again  
And I know and I know and I know that I'll see you again  
Summer rain

You're my summer rain  
And I know and I know and I know that I'll see you again  
And I know and I know and I know that I'll see you again  
Ah huh ah  
Ah huh ah  
Ah huh ah  
Summer rain  
Ah huh ah  
Ah huh ah  
Ah huh ah  
Summer rain

# The Last Rose of Summer

With Méav  
*Traditional/Thomas Moore*

## **Hayley**

'Tis the last rose of summer  
Left blooming all alone  
All her lovely companions  
Are faded and gone  
No flower of her kindred  
No rose bud is nigh  
To reflect back her blushes  
And give sigh for sigh

## **Méav**

I'll not leave thee thou lone one  
To pine on the stem  
Since the lovely are sleeping  
Go sleep now with them  
Thus kindly I scatter  
Thy leaves o'er the bed  
Where thy mates of the garden  
Lie scentless and dead

## **Hayley**

So soon may I follow  
When friendships decay

## **Méav**

And from love's shining circle  
The gems drop away

## **Together**

When true hearts lie withered  
And fond ones are flown

## **Méav**

Are flown

## **Together**

Oh! Who would inhabit

## **Méav**

This bleak world alone

## **Hayley**

This bleak world alone

# There's a Sparkle in Your Eyes

With Helmut Lotti  
*Helmut Lotti*

## **Helmut**

There's a full moon  
And it's rising in front of you  
And it's shining on your lovely face  
And it lights up your smile  
Like you light up my life  
I know this is the time and the place

There's a sparkle in your eyes  
I can see  
And I wonder if it's there only for me

## **Hayley**

Oh! I feel my heart keeps on yearning  
May the flame of love keep on burning

There's a sparkle in your eyes  
I can see  
Everything about you longs to set it free

## **Together**

As I look into your eyes  
I have come to realize  
That the sparkle's only there for me

## **Hayley**

Oh! I feel my heart keeps on yearning  
May the flame of love keep on burning

## **Together**

There's a sparkle in your eyes  
I can see  
Everything about you longs to set it free  
As I look into your eyes  
I have come to realize  
That the sparkle's only there for me

# Tonight (Balcony Scene)

*From West Side Story  
With Vittorio Grigolo  
Leonard Bernstein / Stephen Sondheim*

## Hayley

Only you, you're the only thing I'll see forever  
In my eyes, in my words and in ev'rything I do  
Nothing else but you  
Ever!

## Vittorio

And there's nothing for me but Maria  
Ev'ry sight that I see is Maria

## Hayley

Tony, Tony

## Vittorio

Always you, ev'ry thought I'll ever know  
Ev'rywhere I go, you'll be, you and me

## Hayley

All the world is only you and me

Tonight, tonight  
It all began tonight  
I saw you and the world went away  
Tonight, tonight  
There's only you tonight  
What you are, what you do, what you say

## Vittorio

Today, all day I had a feeling  
A miracle would happen  
I know now I was right  
For here you are  
And what was just a world is a star  
Tonight!

## Together

Tonight, tonight  
The world is full of light  
With suns and moons all over the place  
Tonight, tonight  
The world is wild and bright  
Going mad, shooting sparks into space

Today the world was just an address  
A place for me to live in  
No better than all right  
But here you are  
And what was just a world is a star  
Tonight!

## Vittorio

Tonight, tonight  
It all began tonight  
I saw you and the world went away

# Wiegendlied

*Bernhard Flies / Friedrich Wilhelm Gotter*

Schlafe, mein Prinzchen, schlaf ein!  
Es ruh'n Schäfchen and Vögelein  
Garten und Wiese verstummt  
Auch nicht ein Bienchen mehr summt  
Luna mit silbernem Schein  
Gucket zum Fenster herein  
Schlafe beim silbernem Schein  
Schlafe, mein Prinzchenn schlaf ein  
Shlaf ein, schlaf ein!  
Shlaf ein, schlaf ein!

Auch in dem Schlosse wohl liegt  
Alles im Schummer gewiegt  
Reget kein Mäuschen sich mehr  
Keller und Küche sind leer  
Nur in der Zofe Gemach  
Tönet ein schmachtendes Ach!  
Was für ein Ach mag dies sein?  
Schlafe, mein Prinzchenn schlaf ein  
Shlaf ein, schlaf ein!  
Shlaf ein, schlaf ein!

Wer ist beglückter als Du?  
Nichts als Vergnügen und Ruh  
Spielwerk und Zucker vollauf  
Und Noch Karossen im Lauf  
Alles besorgt und bereit  
Dass nur mein Prinzchen nicht schreit  
Was wird das künftig erst sein?  
Schlafe, mein Prinzchenn schlaf ein  
Shlaf ein, schlaf ein!  
Shlaf ein, schlaf ein!

# You Are Water

*Ava Parnass, Alex Forbes & Eve Nelson*

When I'm lost in a tunnel of shadows and fears  
With no light, only night  
And I listen for a kind word but nobody's here  
Oh so blue, all but you

You are the one voice  
That gives me my own voice  
Oh don't you know?

You are water on a hot summer day  
For a thirsty daughter who's finding her way  
You are water, I found my oasis  
I'm drinking from the fountain of dreams  
You are water

You hear the melody of my song  
You stop time, heal my mind  
You show me struggle can make you so strong  
Plant the seed, let it sleep

You are the one voice  
That gives me my own voice  
Oh don't you know?

You are water on a hot summer day  
For a thirsty daughter who's finding her way  
You are water, I found my oasis and  
Now I've got my arms wide open  
Now I've got my wishes in motion

And I wanna thank you  
Yeah I wanna thank you  
Every step that you take shows me the way

You are water on a hot summer day  
For a thirsty daughter who's finding her way  
You are water, I found my oasis and  
Now I've got my wishes in motion

You are water  
You are water  
You are water  
You are water  
You are water
