

All I Have To Do Is Dream

Felice and Boudleaux Bryant

Dream, dream, dream, dream
Dream, dream, dream, dream

When I want you
In my arms
When I want you
And all your charms
Whenever I want you
All I have to do is dream
Dream, dream, dream

When I feel blue
In the night
And I need you
To hold me tight
Whenever I want you
All I have to do is dream

I can make you mine
Taste your lips of wine
Anytime night or day
Only trouble is
Gee whiz
I'm dreaming my life away

I need you so
That I could die
I love you so
And that is why
Whenever I want you
All I have to do is dream

I can make you mine
Taste your lips of wine
Anytime night or day
Only trouble is
Gee whiz
I'm dreaming my life away

I need you so
That I could die
I love you so
And that is why
Whenever I want you
All I have to do is dream

All Through The Night

Traditional

Sleep my child and peace attend thee
All through the night
Guardian angels God will send thee
All through the night

Soft the drowsy hours are creeping
Hill and vale in slumber sleeping
I my loved ones' watch am keeping
All through the night

O mor siriol gwen a seren
Ar hyd y nos
I oleuo-i chwaer ddaearen
Ar hyd y nos

Nos yw henaint pan ddaw cystudd
Ond i harddu dyn a'i hwyrddydd
Rhown ein golau gwan i'n gilydd
Ar hyd y nos

While the moon her watch is keeping
All through the night
While the weary world is sleeping
All through the night

O'er thy spirit gently stealing
Visions of delight revealing
Breathes a pure and holy feeling
All through the night

All Through The Night (Welsh Version)

Traditional

Holl amrantau'r sêr ddywedant
Ar hyd y nos
"Dyma'r ffordd i fro gogoniant"
Ar hyd y nos

Golau arall yw tywyllwch
I arddangos gwir brydferthwch
Teulu'r nefoedd mewn tawelwch
Ar hyd y nos

O mor siriol, gwena seren
Ar hyd y nos
I oleuo'i chwaer ddaearen
Ar hyd y nos

Nos yw henaint pan ddaw cystudd
Ond i harddu dyn a'i hwyrddydd
Rhown ein golau gwan i'n gilydd
Ar hyd y nos

O mor siriol, gwena seren
Ar hyd y nos

Baby Mine

Frank Churchill / Ned Washington

Baby mine, don't you cry
Baby mine, dry your eyes
Rest your head close to my heart
Never to part, baby of mine

Little one, when you play
Don't you mind what they say
Let those eyes sparkle and shine
Never a tear, baby of mine

If they knew, sweet little you
They'd end up loving you too
All those people who scold you
What they'd give just for the right to hold you

From your head down to your toes
You're not much, goodness knows
But you're so precious to me
Sweet as can be, baby of mine

All those people who scold you
What they'd give just for the right to hold you

Baby mine, don't you cry
Baby mine, dry your eyes
Rest your head close to my heart
Never to part, baby of mine
Baby of mine, baby of mine

Brahms Lullaby

Johannes Lullaby

Lullaby and good night
With roses bedight
With lilies o'er spread
Is baby's wee bed

Lullaby and good night
Thy mother's delight
Bright angels beside
My darling abide

Lay thee down now and rest
May thy slumber be blessed
Lay thee down now and rest
May thy slumber be blessed

Lullaby and good night
With roses bedight
With lilies o'er spread
Is baby's wee bed

Lay thee down now and rest
May thy slumber be blessed
Lay thee down now and rest
May thy slumber be blessed

Lullaby and good night
You're thy mother's delight
Bright angels beside
My darling abide

Bridge Over Troubled Water

Paul Simon

When you're weary
Feeling small
When tears are in your eyes
I will dry them all

I'm on your side
When times get rough
And friends just can't be found
Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

When you're down and out
When you're on the street
When evening falls so hard
I will comfort you

I'll take your part
When darkness comes
And pain is all around
Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

Sail on Silver Girl
Sail on by
Your time has come to shine
All your dreams are on their way

See how they shine
If you need a friend
I'm sailing right behind
Like a bridge over troubled water
I will ease your mind
Like a bridge over troubled water
I will ease your mind
I will ease your mind

Dream a Little Dream

Gus Kahn / Fabien Andre / Wilbur Schwandt

Stars shining bright above you
Night breezes seem to whisper, I love you
Birds singing in the sycamore tree
Dream a little dream of me

Say nighty night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries far behind you
But in your dreams whatever they be
Dream a little dream of me
Dream a little dream of me

Go To Sleep

Traditional arranged by T-Bone Burnett / Ed Welch

Go to sleep, you little baby
Go to sleep, you little baby

Your mamma's gone away and your daddy's gone to stay
Didn't leave nobody, but the baby

Go to sleep, you little baby
Go to sleep, you little baby

Everybody's gone in the cotton and the corn
Didn't leave nobody, but the baby

You're a sweet little baby
You're a sweet little baby

Honey and the rock and the sugar don't stop
Gonna bring a bottle to the baby

Don't you weep, pretty baby
Don't you weep, pretty baby

She's long gone with her red shoes on
Gonna need another loving baby

Don't you weep, pretty baby
Don't you weep, pretty baby

You and me and the devil makes three
Don't need no other loving baby

Go to sleep, you little baby
Go to sleep, you little baby

Come and lay your bones on the alabaster stones
And be my ever loving baby

Goodnight My Angel

Billy Joel

Goodnight, my angel, time to close your eyes
And save these questions for another day
I think I know what you've been asking me
I think you know what I've been trying to say

I promised I would never leave you
And you should always know
Wherever you may go, no matter where you are
I never will be far away

Goodnight, my angel, now it's time to sleep
And still so many things I want to say
Remember all the songs you sang for me
When we went sailing on an emerald bay

And like a boat out on the ocean
I'm rocking you to sleep
The water's dark and deep, inside this ancient heart
You'll always be a part of me

Goodnight, my angel, now it's time to dream
And dream how wonderful your life will be
Someday your child may cry, and if you sing this lullaby
Then in your heart there will always be a part of me

Someday we'll all be gone but lullabies go on and on
They never die, that's how you and I will be

Hushabye Mountain

Robert B. Sherman / Richard M. Sherman

A gentle breeze from Hushabye Mountain
Softly blows o'er lullaby bay
It fills the sails of boats that are waiting
Waiting to sail your worries away

It isn't far to Hushabye Mountain
And your boat waits down by the quay
The winds of night so softly are sighing
Soon they will fly your troubles to sea

So close your eyes on Hushabye Mountain
Wave goodbye to cares of the day
And watch your boat from Hushabye Mountain
Sail far away from lullaby bay

So close your eyes on Hushabye Mountain
Wave goodbye to cares of the day
And watch your boat from Hushabye Mountain
Sail far away from lullaby bay

Pretty Little Horses

Traditional

Hush-a-bye, don't you cry
Go to sleep, you little baby
When you wake, you will have cake, and
All the pretty little horses

Blacks and bays, dapples and greys
A coach and six white horses
Hush-a-bye, don't you cry
Go to sleep, you little baby

Way down yonder, down in the meadow
There's a poor little lamby
Bees and butterflies flit around his eyes
He's crying out for his mammy

Hush-a-bye, don't you cry
Go to sleep, you little baby
When you wake, you will have cake, and
All the pretty little horses

Blacks and bays, dapples and greys
A coach and six white horses
Blacks and bays, dapples and greys
All the pretty little horses

La la la...

Hush-a-bye, don't you cry
Go to sleep, you little baby

Go to sleep, you little baby
All the pretty little horses

Sleep On

Music: Paul Mealor / Lyrics: Brendan Graham

The world out there
The heavens all to sleep
And I am here
A watch with you to keep

Sleep on, sleep on,
Sleep deep and sleep strong
Sleep on, sleep on
The road of life is long
I whisper a prayer
May your path be clear
Sleep on

May you be wise
In answer to your call
May you still rise
If ever you should fall

Sleep on, sleep on,
Sleep deep and sleep strong
Sleep on, sleep on
The road of life is long
I whisper a prayer
May your path be clear
Sleep on

Sleep on
Sleep on

Stay Awake

Richard M. Sherman / Robert B. Sherman

Stay awake, don't rest your head
Don't lie down upon your bed
While the moon drifts in the skies
Stay awake, don't close your eyes

Though the world is fast asleep
Though your pillow's soft and deep
You're not sleepy as you seem
Stay awake, don't nod and dream
Stay awake, don't nod and dream

Twinkle Twinkle

Traditional

Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are

When the blazing sun is gone
When he nothing shines upon
Then you show your little light
Twinkle, twinkle, all through the night
Twinkle, twinkle, little star
How I wonder what you are

Then the traveller in the dark
Thanks you for your tiny spark
He could not see which way to go
If you did not twinkle so
Twinkle, twinkle, little star
How I wonder what you are

In the dark blue sky you keep
And often through my curtains peep
For you never shut your eye
Till the sun is in the sky
Twinkle, twinkle, little star
How I wonder what you are

When at Night

Engelbert Humperdinck

When at night I go to sleep
Fourteen angels watch do keep
Two my head are guarding
Two my feet are guiding
Two are on my right hand
Two are on my left hand
Two who warmly cover
Two who o'er me hover
Two to whom 'tis given
To guide my steps to Heaven

When at night I go to sleep
Fourteen angels watch do keep
Two my head are guarding
Two my feet are guiding
Two are on my right hand
Two are on my left hand
Two who warmly cover
Two who o'er me hover
Two to whom 'tis given
To guide my steps to Heaven
